

WOLFE COUNTY.

Lane Locals.
Send THE HERALD twice a week.
J. R. Elkins gathered 1,000 bushels of corn from one field. Beat that and you can beat Holly.

J. L. Moore, of Jackson, and jailer Hobbs passed through here Wednesday with Simon Hollon. They were conveying him to Jackson to have his trial for shooting Mrs. B. M. Combs some time since.

Married, on the 12th inst., at the residence of the bride's father, Wm. Eversole, George W. Hollon to Miss Lizzie Eversole; John T. Graham and Miss Gerie Stone, attendants, G. W. Tyra, officiating.

Our school closed yesterday, and our teacher, Miss Lizzie Lykins, returned home, leaving many friends behind. She has the honor of teaching the best school that was ever taught here, and has promised to be with us again next year.

Misses Rebecca, Josie, Sarah, Lou, Periles and Laura Hollon, Miss Susie Lykins, W. J. J. R. and T. C. Nathan, R. L. Hollon, Frank Hutton, John T. Graham, R. L. D. C. and Isaac Miller, visited and had a joyous time at Jonas Hollon's Tuesday night.

SHANGHAI.

Lee City Locals.

Rev. H. F. Dunagan, of Maytown, preached here Sunday night.

John T. Graham and Samuel Wadkins, of Lane, were in town Sunday and Monday.

One of David Budd's sons was thrown from a horse a few days ago, the horse stepping on the boy's face lacerating it badly.

Jeff Davis, who lives on Johnson fork, threw his jaws out of place by gaping, and is in bad shape. Dr. J. R. Carroll thinks he will have to place him under the influence of chloroform in order to get his jaws set again.

The town marshal of Hazel Green was up in the mountains of Red river hunting a few days ago. We guess he was hunting. He said that he lost his spectacles, and left some 'possum fur with your scribe.

AND.

MORGAN COUNTY.

From the Jambos.

John Wilson, of Hazel Green, was seen going down Grassy Saturday.

William Brewer, of Nickell's fork of Grassy, who has been suffering severely from neuralgia in the head, is some better.

J. R. DeBusk, who has been suffering for two weeks past with a sprained ankle, during which time his school was suspended, is able to resume work again.

Dr. E. C. Gevedon closed his school at Grassy Lick Saturday with an entertainment, which, we feel safe in saying, was a grand occasion, although we were not present.

The school taught by Miss Lula Kash, of Hazel Green, at the Sol Long school house, closed Friday. To say the school was an entire success is saying but little for Miss Lula.

James T. Oldfield, who, when a young man, went West "to grow up with the country," has returned with his grown-up western family. He will probably settle on the farm of his "old Kentucky home."

ELKSWATAWA.

Grassy Gists.

S. W. Havens sold to Emery Carr one yoke of year old oxen for \$27.

Elder B. F. McGuire filled his appointment at Old Grassy church last Sunday.

Drs. McClure, Gevedon and Center were called in this (Monday) morning to perform a surgical operation on Miss Jennie B. Carter, who has been sick for some time at the home of her father, Joel Carter.

We never heard of a wagon and team outrunning the Carr's until last Saturday. A couple of horses hitched to a wagon outran Emery and Ellis Carr so bad that while they were trying to overtake them a pig that was in the wagon came very near eating up a bucket of beef that was in the wagon.

The teachers' association for this magisterial district convened at Grassy Lick school house on last Saturday, and was opened with prayer by Elder W. L. Gevedon, after which an address of welcome by Dr. B. F. McGuire; response by S. M. Nickell. Those participating more prominently in the exercises were H. F. Haney, Miss Lula Kash, W. B. Barker, Dr. E. C. Gevedon, H. M. Barker and J. L. Johnson. There was a good attendance, dinner on the ground, and a pleasant and profitable time was had.

CINDERELLA.

Elder J. A. Howard.
(Communicated.)

For the benefit of Christianity and the good of the people in general, and for the purpose of settling our highly esteemed and well-beloved Brother, Elder J. A. Howard, before the public according to his standing among the people who know him, we, the undersigned officers of the Church of God, at Ezel, take pleasure in submitting the following facts:

Whereas, there are a great many false reports being circulated against Brother Howard, in view of which we feel it to be our Christian duty and pleasure to say that Elder Howard is a member of the Church of God at Ezel, and is in good standing, having the confidence of as many good citizens as any man in our country. Elder Howard came to Morgan county a little more than two years ago with as good a recommendation as any man in Eastern Kentucky, and has been preaching the gospel of Christ most ear-

nestly and effectively, still maintaining his Christian integrity without spot or blemish. He has the largest audiences to hear him preach of any man that has ever been in our country, which is evidence enough of his high standing and ability as a most excellent preacher. Those who want the doctrine of Christ preached in its most simple form, would do well to hear Brother Howard preach. All we ask of the people is to give him a patient and impartial hearing, and treat him with all the respect that is due a Christian gentleman and a preacher of the glorious gospel of Christ.

Elder ASA B. NICKELL,

Ezel, Ky., Dec. 10, 1894.

"Majestic" Steel Ranges.

Steel is superceding cast iron in all structural work requiring strength of material. Bridges, steamships, office buildings and all other construction work requiring resistance to strains and stresses are now made of steel. Following this idea, the "Majestic" steel ranges are made of cold-rolled steel plates, riveted (not bolted) to frames of malleable iron, (not cast iron) thus preventing the opening of joints by contraction and expansion (or loosening of bolts.) Without doubt this is the strongest and most durable construction ever presented to purchasers, as is evidenced by the immense sales of "Majestic" ranges. An appreciative public is not slow to commend an article that has strength without too great weight; that does its cooking without waste of food or fuel; that supplies an abundance of hot water without a forced fire or interference in baking; that economizes time and saves labor; that requires no repairs; in short, a range that has the compound qualities of greatness without glitter. Such is the "Majestic" now on exhibition at W. W. Reed's hardware store, Mt. Sterling. Open to the inspection of ladies from 9 a. m. to 9 p. m. No souvenir, no gift enterprise, but the most delicious "Majestic" coffee, with 4-minute biscuit baked in a "Majestic" range, will be served in the "Majestic" parlors to all prospective buyers. Special inducements are offered to purchasers during this exhibit.

Mr. Ira P. Wetmore, a prominent real estate agent of San Angelo, Texas, has used Chamberlain's Colic, Cholera and Diarrhoea Remedy in his family for several years as occasion required, and always with perfect success. He says: "I find it a perfect cure for our baby when troubled with colic or dysentery. I now feel that my outfit is not complete without a bottle of this Remedy at home or on a trip away from home." For sale by J. M. Rose.

After the Grip

Relief from Hood's Sarsaparilla
Wonderful and Permanent.

"C. L. Hood & Co., Lowell, Mass.:
"I had kidney trouble and severe pains in my back, which was brought about by a cold contracted while in camp at Linnfield in 1882. I have been troubled more or less since that time and have been unable to do any heavy work, much less any lifting. I received only temporary relief from medicines. Last spring I had an attack of the grip, which left me with

A Bad Cough, Very Weak

physically, in fact my system was completely run down. I tried a bottle of Hood's Sarsaparilla and it made me feel so much better that I continued taking it, and have taken six bottles. It has done wonders for me, as I have not been so free from my old pains and troubles since the

Hood's Sarsaparilla Cures

war. I consider Hood's Sarsaparilla a God-sent blessing to the suffering." WILLIAM J. BAKER, North Pembroke, Mass.

Hood's Pills cure Constipation by restoring the peristaltic action of the alimentary canal.
